Professional experience / current job role:

Current role within BAE Systems as Head of HR.

Please explain what your knowledge and experience bring to the role of Governor at Lostock Hall Community Primary School:

With c. 20 years experience working within BAE Systems in various HR roles, across different complex programmes, I believe I am able to actively contribute to the Governing Body both in a supportive and challenging capacity to ensure successful outcomes are achieved. I work well within a team and have experience of working with senior leadership teams, as a group and 1:1 to achieve agreed objectives. I build strong relationships built on mutual trust and respect and I can be relied upon to deliver on my commitments.
