

# Lostock Hall Community Primary School

## Governor Pen Portrait

<b>Name:</b>  Paul Newsham	
<b>Role on the Governing Body:</b>  Co-opted Governor	
<b>Committees:</b>  Leadership and Management Committee	
<b>Professional experience / current job role:</b>  I am the Learning Coordinator for a trade union branch working primarily with Royal Mail and British Telecom. My role involves organising learning opportunities for trade union members across the North West. I am an Adult Tutor specifically teaching IT and Maths to union members as well as training union representatives via the TUC to carry out their daily roles. I am the Chair of the unions North West Regional Learning and Education Committee.	
<b>Please explain what your knowledge and experience bring to the role of Governor at Lostock Hall Community Primary School:</b>  As both my children attend the school I want to help the school to maintain the highest standards. I aim to be involved in the future long term development of the school so that all the children get the best possible education in a happy and positive atmosphere. I believe I can bring a great deal of experience to the role of governor from my work as an adult tutor and trade union official. I am open, honest, organised, committed and not afraid to voice an opinion. I aim to support the school and staff to maintain the Ofsted “outstanding” status and to excel in the future.
