

## Year 3 Homework - Autumn Term 2

Please choose an activity to complete for homework from each section. You will need to complete this half term's homework by **Monday 12<sup>th</sup> December**.

Please hand it in to school ready to share with the class by this date.

Certificates will be awarded for four completed pieces of homework. We will all present homework in class as a celebration of our work.

For those that you can't evidence, please write a short sentence about what you have done.

### English

- Write an acrostic poem about the human body or the skeleton.
- Write a description of a monster or an alien. You can use one that you know from a cartoon or make up one of your own. Try to include description about its body parts, colour, personality and any special features that your creature has.
- Please see the words that have been put onto the Y3 Blog under homework. Find a definition for each of the words.

### Maths

- Make a poster for a times table that you are learning.
- Find different 3D shapes around your home and list them under the headings: - Cone, sphere, prism, cuboid and cylinder.
- Practise telling the time.
- Create three or two digit addition and subtraction number sentences using number families.

### Topic

- Learn a song about Winter or make up a poem about Winter.
- Draw or make a human skeleton using crayons, straws or other materials.
- Make a Christmas decoration using some natural materials such as pine cones or sticks.
- Draw a Winter landscape and write about what you will see in this season.

### Family/Home

- Play a ball game with your family. Write about it or take a photo of it.
- Make a food diary of what you have eaten- can you increase the number of fruits and vegetables that you eat?
- Write about why you are special. You could include something that you are good at or one of your hobbies.
