LO: retell the story!

Lilly was looking ^{through} from
the telescope and she ~~was~~ saw the
glowing moon when she ~~was~~ in
and she ^{saw} a modern house. Lilly
felt amazed because she is really
happy. // (m) (m) Well done!

Suddenly a man appeared.
Lilly decided to send a letter
to the ^{man} man. First she tried to
send it to the moon by using
a ^{bow} bow and arrow but it didn't
work. Next she tried to send it
to the moon by using a ladder but
it didn't work. Lilly felt
sad. ^{Super writing Amber!}
Lilly felt solid and not set.
