

Jill and the tunnel

ONCE UPON a time
there lived a little girl
called Jill and her
mum. They were very poor
and they didn't have much
money. They had to go to
bed without supper. The
next morning she found
a deep tunnel. She climbed
down it was boiling hot. She
was scared and she felt
some drock sliding from
her face! Finally she reached
the top of the dark cave.
She saw a sparkling treasure
chest. She took it and she
ran faster than a cheetah. Unfortunately
the EVILELF was chasing her. She
climbed back up the hole. That
was the end of the EVILELF.
Jill and her mum live happily
ever after. THE END!
