To write a letter in the role of a character

Dear Mr Gardener,

I'm writing to say thank you for helping me take care of Francis, I could never thank you enough. You are so kind, I never knew adults could keep secrets! When a quack was heard, my classmate, Lisa (Mona Lisa) ran to the teacher carrying my sports bag! This was right after we ate lunch!

The teacher didn't believe her, though. Which is lucky for me, really lucky! And again Lisa moaned, until Mrs Southerden checked. I quickly hid Francis in my coat, so when Mrs Southerden looked in my bag, Lisa was proved wrong. I took Francis to grandad, but he said a flat is not suitable for a duck. So we took him to the local park and to this day we go and feed him everyday.

P.S. Please write back!

All the best, Sam.Xx
