Need something a little different to use in the classroom or support homeschooling parents? Spot On Stories are back with a new video every Monday at 10am!

Meet Björn, a Viking sheltering from the cold winter in front of his roaring fire, surrounded by his swords and shields. Björn has a tale to tell of the great Viking King - King Knut. Come and sit with him as he takes you of the time King Knut's learnt his most important lesson.

Suggestions for additional activities

Once you've watched the video we have some creative Viking activities for you to do too!

- Did you know the Vikings had their very own Alphabet - get a grown-up to google it, we'd love to see how you spell your name in Viking!
- If you were heading on a great Viking journey what would you make sure to take with you on the longboat?
- Don't forget to pack your shield! Why not design your own? All you need is a piece of paper and something circular to draw around - you could even make it life-sized using the cardboard from a big box!
